

Pucked: The Pucked Series, Book 1

With a famous NHL player for a stepbrother, Violet Hall is well acquainted with the playboy reputation of many a hockey star. She isn't interested in legendary team captain Alex Waters or his pretty, beat-up face and rock-hard six-pack abs. When Alex inadvertently obliterates Violet's misapprehension regarding the inferior intellect of hockey players, he becomes much more than just a hot body with the face to match. Suffering from a complete lapse in judgment, Violet discovers just how good Alex is with the hockey stick in his pants. Violet believes her night of orgasmic magic with Alex is just that: one night. But Alex starts to call. And text. And email and send extravagant and quirky gifts. Suddenly, he's too difficult to ignore, and nearly impossible not to like. The problem is, the media portrays Alex as a total player, and Violet doesn't want to be part of the game.
