

Family in Hiding (Mills & Boon Love Inspired Suspense)

TILL DEATH DO US PART? When her estranged husband Dylan's inadvertent dealings with a crime ring bring danger to her doorstep, Grace McIntyre has no choice but to follow him into the witness protection program. To safeguard her children, they must all go into hiding as one big happy family. Grace doesn't know what's worse—having to pretend she's in love with the man who betrayed her trust or keeping ahead of the killers. In hiding, Dylan is all that stands between their safety and certain death. Now more than ever, he wants to be the man that Grace once loved. Keeping his family alive is his only hope—to be a hero and a husband.
