

FAR/AIM 2016: Federal Aviation Regulations/Aeronautical Information Manual (FAR/AIM series)

ASA has built a reputation for providing the aviation community with the most accurate and reliable FAR/AIM products available. The 2014 FAR/AIM book continues this tradition, containing complete and up-to-date information from Titles 14 and 49 of the Code of Federal Regulations (14 and 49 CFR) pertinent to General Aviation, Sport Pilots and Flight Instructors, combined with the Aeronautical Information Manual (AIM), and a free email subscription service for you to receive updated information as it is released by the FAA.
