

# Reasons to Believe (eBook Sampler): Thoughtful Responses to Life's Tough Questions

Why would a good God allow suffering? Has science disproven God? Is the Bible really trustworthy? Is it reasonable to believe in God? Do all religions teach the same thing? Questions like these can pique curiosities, stimulate thinking, and challenge faith in God. *Reasons to Believe* takes ten relevant questions about God, the Bible, and the Christian life head-on and provides thoughtful, easy-to-understand responses in one concise resource. Wherever you are on your spiritual journey, *Reasons to Believe* can serve as a timely tool to answer questions, remove doubts, deepen Christian conviction, and provide compelling reasons to believe. *Reasons to Believe* is an easy-to-understand book for the individual with questions.

**Endorsements** The title is apt and the book is rich. The authors are both savvy apologists and leaders in the church. *Reasons to Believe* delivers solid answers in a winsome way, especially to those new to the vital discipline of Christian apologetics. Douglas Groothuis, Ph.D., Professor of Philosophy, Denver Seminary In my mind there's always enough room for another book that tackles the tough questions that challenge our faith. Unlike other similar books, editors Dennis Moles and Ryan Whitson have assembled a group of scholarly yet highly relevant responses to these age-old problems. Thanks to them for another great resource to bolster our faith! Dr. Joseph M. Stowell, President, Cornerstone University, Grand Rapids, Mich.
