

Mishkan Student Beth El Israel: Prayers and Meditations for Shabbat with No Transliteration

A special Siddur (Prayer Book) for Students for both Evening Kabbalat and Shabbat Morning services. The book features the Hebrew and translation of prayers that match our regular Shabbat Siddur Mishkan Beth El Israel with one key distinction - there is NO transliteration. The intention is to make a book that can be used for student learning without the temptation to learn to read transliteration rather than decoding the Hebrew. This is a black-and-white version to facilitate cost so that each student can have their own book to study from and learn from and then use on the actual celebration of becoming Bnai Mitzvah. The pagination and artwork matches the regular book completely (except for color). Do not call them your children, rather your builders. Ve-ani tefilati - I am my prayer.
