Just a Normal Marriage To create a stable home for her young half-sister, accountant and trust-fund heiress Shauna McCoy proposes marriage to the child's pediatrician, Rob Stevens. What she doesn't count on is that Mack Burgess wants to raise his niece. Mack's wealthy and powerful, and he could take Rory away from her in an instant. But Rory's attached to Wendy â€” so Mack's solution is to propose that they build a family for the baby's sake. To keep her baby, can Wendy actually marry the man she's come to love â€” even though he doesn't love her?

Leaving Home Brodie McKenzie is all grown up now, and she no longer needs her guardian interfering with her plans for marriage and career. But the alternative Drew offers -- a marriage of convenience -- makes leaving home seem like a very bad idea.
