

Kaizen for the Shopfloor Learning Package (The Shopfloor Series)

Productivity's new Kaizen Learning Package provides the information and techniques you need to prepare for and conduct a successful Kaizen event. Clear, concise text and explanatory graphics are used to discuss how to: Form and train a kaizen team. Gain support for a kaizen event. Use an Area Selection Matrix to choose where to hold a kaizen event. Focus an event by selecting the most appropriate problem for improvement. Prepare a kaizen area. Report, communicate, and sustain kaizen results. The kaizen learning package includes the following: Leaders Guide; 5 copies of Kaizen for the Shopfloor; one laminated job aid, Steps for Conducting a Kaizen Event; one copy of the Jeffrey K Liker's classic book, *Becoming Lean: Inside Stories of U.S. Manufactures*; and additional presentation materials on a CD.
