Ever since man has had the ability to reason, we have asked why. -Why do we exist? -Is there a God? -Is there a heaven? -Is there a hell? -What happens to us after death? -Do we have a soul? When I was a child attending parochial school, my understanding of God, heaven, hell and what our souls are, were clouded in mystery. As I asked for clarification, but no one could adequately explain away these mysteries. I spent nearly 45 years developing the thoughts presented here to help me believe. Now I wish to share them with the world.
