

Traitmatch: Discovering the Occupational Personality Through Handwriting Analysis

Revealed! The Successful Secret Businessmen Wont Share! A Graphology book for businessmen and job-seekers who want to avoid the hiring hassle and expose the value-prism of the Occupational Personality through handwriting Analysis! Learn: * how handwriting is used to select employees and why it is the least discriminating of all hiring methods * how to discover personality traits not possible through tests, job interviews or job applications. Which applicant is a self-starter? Homesteader or traveler? Favor-seeker or diplomat? What of your prospective employees can keep secrets? Find out who wastes material or time before you hire them. How healthy is the job seeker? How smart? How creative? * how to screen out potential liars and thieves * How to pick leaders and executive talent * How to achieve office compatibility and avoid office conflicts * How a job application can become a square crystal ball * How to spot health problems including alcohol and drug users * how to evaluate customers * how to spot fraudulent checks * how to pick your own dream job by discovering your hidden potential and talent * An unique chronological history of Graphology is included.
