The book of the popular movie STARRING GAEL GARCIA BERNAL NOW A NEW YORK TIMES BESTSELLER — The young Che Guevara’s lively and highly entertaining travel diary. This new, expanded edition features exclusive, unpublished photos taken by the 23-year-old Ernesto on his journey across a continent, and a tender preface by Aleida Guevara, offering an insightful perspective on the man and the icon. — “As his journey progresses, Guevara’s voice seems to deepen, to darken, colored by what he witnesses in his travels. He is still poetic, but now he comments on what he sees, though still poetically, with a new awareness of the social and political ramifications of what’s going on around him.” — January Magazine — “A journey, a number of journeys. Ernesto Guevara in search of adventure, Ernesto Guevara in search of America, Ernesto Guevara in search of Che. On this journey of journeys, solitude found solidarity, — “I — turned into — we —.” — Eduardo Galeano — “When I read these notes for the first time, I was quite young myself and I immediately identified with this man who narrated his adventures in such a spontaneous manner — To tell you the truth, the more I read, the more I was in love with the boy my father had been — — “Aleida Guevara — “Our film is about a young man, Che, falling in love with a continent and finding his place in it. — “Walter Salles, director of — “The Motorcycle Diaries. —
