

Billionaire Romance: Secrets Of A Billionaire (The Complete Series)

This is a delicious new romance story from Lexi Duval. Contains graphic sex scenes and swearing. Readers should be 18+ PART ONE Kira isnt your average millionaire and billionaire groupie...unlike her sister Grace. When Grace drags Kira along to a New York superclub to do what she does best “ find a rich guy to take care of her needs for a while “ it ends up being Kira who runs into the find of a lifetime. When she meets Jett Riley, she thinks little of it. Sure, hes just about the most beautiful man shes ever seen, but he wont have any interest in here, right? Wrong. Before Kira knows it shes back at his place and doing things shes never done before. She finds herself unable to deter his advances, and not wanting to either. But will it be a single night of passion...or something more. Soon, Kira discovers that Jett isnt any different from any guy from her past, and has secrets just like the rest of them. But will she leave it there, or delve deeper down the rabbit hole? PART TWO Kira has just discovered that her mystery man, billionaire Jett Riley, is actually engaged in a long term relationship. Feeling seedy after being dragged into his world of infidelity, and yet still intoxicated by memories of their night together, she resolves to put him out of her head. Of course, that would be easier if he didnt just walk into the restaurant she works at, along with his billionaire father, Jett Senior. Forced to wait on his table, Kira endures an afternoon of torture that Jett seems to relish. When her shift finishes, however, Kira

finds herself alone with Jett once more in the staff room. With a promise to explain himself, Jett invites Kira to join him at a quiet bar nearby. After a quick debate with herself, she agrees, a choice that puts her night on a whole different trajectory. Soon, Jett's back between her legs, and back plaguing her dirtiest dreams. And before long, he's offering her a deal she can't possibly refuse...

PART THREE Kira starts working for billionaire Jett Riley, much to the envy of her sister Grace. Quickly, she grows in her double role - one as Jett's personal assistant, and another where her only function is to fulfil her boss's sexual desires. Gradually, however, Kira begins to go down the path that so many seem to end up on, falling for Jett as her roles begin to become intertwined.

When Jett's sham girlfriend, Tess, returns from a modelling job in Hawaii, however, it becomes clear to Kira that Jett's been lying to her all along, that this billionaire has secrets, just like everyone else. But will Kira give up on him forever, or fight to have her own happy ending?
