

Finally Fearless: Journey from Panic to Peace

Do fear and anxiety rule your life? They used to rule mine. Anxiety kept me from dating and almost prevented me from going after the one dream I wanted most in life: to find true love. This is the book I was too afraid to write and definitely too afraid to publish. That would mean others could read some of my most private thoughts, pieces of my most difficult and painful journey. Most of my life, I put on a good face, that life is perfect facade. It was a sham. Then I realized I had to face my problems, my past, and my fears if I ever wanted to live a normal, healthy life and be able to find true love and get married. In writing this book, I decided to join the imperfect human race. I wrote it because I needed to heal. Maybe you need to heal, too. Through writing about my story of panic, fear, and seemingly irrational anxieties, I uncovered so much about panic and anxiety disorders, coping techniques, causes of anxiety and fear, soul-searching activities to help unearth the root of anxiety problems, and methods that can bring about healing. After many years of stagnancy, I found hope. God walked me through every step to help me find ways to grow, heal, change, and climb out from under the relentless thumb of anxiety. I can honestly say I am now healed. Are you tired of fighting against your fears? Has panic interrupted your life? Has anxiety stopped you from going after your dreams? Has it kept you out of close relationships? I encourage you to read my story and start your soul-searching

journey now so you, too, can venture toward peace. Finally Fearless is filled with practical advice, exercises, personal stories, and tangible ways for readers to participate in their healing. Also available: Finally Fearless Workbook for churches, book clubs, and individuals who like a hands-on approach to the exercises of this book. Key Topics: Fear, anxiety, panic disorders, coping techniques, relaxation exercises, abuse, marriage, singles, dating relationships, boyfriend, hope, discouragement, prayer, counseling, journal, husband, surrender, rejection, fear of men, God's promises, Never the Bride
