

A Man of Influence (A Harmony Valley Novel)

She isn't giving up on her town or herself. An accident cost Tracy Jackson not only her high-profile job but also her ability to easily communicate. Back in her California hometown, she's working at the bakery and painstakingly relearning how to speak. Now she has a new mission: to protect her community from Chad Healy. The travel writer is in Harmony Valley to cover the Harvest Festival. And his "big surprise" is helping Tracy make her dreams happen. But his lampooning style could hurt her town's longtime traditions. Filled with conflicting emotions, can Tracy find the words to let Chad know how she feels before he's gone for good?
