

# Reflections Of A Man

Reflections Of A Man is a book designed for both men and women to enhance the quality of their personal relationships. For the women, it encourages you to recognize the true value of your love, to reevaluate your standards and to make the decision that you will no longer settle for anything less than someone who loves you, respects you, and truly makes you happy. For the men, this book will not only encourage you to learn more about the emotional needs of a woman, but it will provide you with clear insight into what a woman truly needs from you, emotionally, to be happy. Through beautiful words of poetry, powerful quotes and advice full of wisdom, Mr. Amari Soul creates a truly enlightening experience for both men and women with Reflections Of A Man. On one hand, women gain a new perspective on the true value of their love, raise their standards and refuse to settle. On the other hand, men become better equipped to, not only understand a woman's emotional needs, but they are better able to meet or exceed their new standards as well.
