

I Love You God: My Personal Notes to God

The bible is full of stories of courageous men and women who have experienced the ups and downs of life. This book chronicles my personal life's journey through this life as I have followed God. God's presence has always been with me. I can truly say that He is alive. We have walked on this journey together and today my relationship and love for God is simply beautiful. The more that I have surrendered my life to Him, the deeper our relationship has blossomed. Enjoy these words and I pray that they will encourage you.
