

Mold Claims Coverage Guide

Today, mold claims are common, but they continue to grow in complexity, involving not only property damage but bodily injury as well. Mold-related lawsuits have dramatically increased over the past few years, and the numbers continue to rise. Coverage requirements and related issues can be complicated and confusing. This resource will remove the complexity and allow the insurer, insured, property owner or developer and their counsel to deal with mold quickly and effectively and, if possible, avoid unnecessary litigation. Your One-Stop Resource Covering the Many Mold-Related Topics

Mold claims are brought by individuals, tenants, and others. And they are filed not only against property owners, but other entities involved in construction projects. Claims range from simple property damage to serious allegations of exposure to toxic mold. Mold Claims Coverage Guide is the only available source that covers every aspect of mold claims, including:

- Governmental regulation
- Insurance policy interpretation
- Claims investigation
- Litigation
