

A Wallflower Christmas (Wallflowers, Book 5)

The Wallflowers are four young ladies in London who banded together in their wild and wickedly wonderful searches for true love. Now happily married, they join together once again to help one of the worlds most notorious rogues realize that happiness might be right under the mistletoe.â€It's Christmastime in London and Rafe Bowman has arrived from America for his arranged meeting with Natalie Blandford, the very proper and beautiful daughter of Lady and Lord Blandford. His chiseled good looks and imposing physique are sure to impress the lady in waiting and, if it werent for his shocking American ways and wild reputation, her hand would already be guaranteed. Before the courtship can begin, Rafe realizes he must learn the rules of London society. But when four former Wallflowers try their hand at matchmaking, no one knows what will happen. And winning a bride turns out to be more complicated than Rafe Bowman anticipated, especially for a man accustomed to getting anything he wants. However, Christmas works in the most unexpected ways, changing a cynic to a romantic and inspiring passion in the most timid of hearts. Lisa Kleypas A Wallflower Christmas takes a trip to Victorian London, under the mistletoe, and on a journey of the heart. With her trademark charm, sensuality, and unforgettable characters, theres no one like Lisa Kleypas to make you believe in the magic of Christmas.
