

Wed to a SEAL (Hot SEALs) (Volume 8)

In his career as a Navy SEAL, Rocky Mangiano has been called a Jersey boy, and a Yankee, and a few other choice names he shouldn't repeat in mixed company, but never in his life has anyone called him "daddy". If the wrapped bundle of joy he finds on the doorstep is any indication, things are about to change and he has no clue what to do about it. When the baby's momma enters the picture things get even more crazy, but given the fringe benefits that come along with the complications, Rocky's not complaining. Not one little bit.
