

The Womens Seder Sourcebook: Rituals & Readings for Use at the Passover Seder

With diverse and robust voices, women are reclaiming their place at the seder table. This complete sourcebook and guide shows you how to do it, too. For the first time, contemporary Jewish women's writings on the Passover seder are gathered in one comprehensive and compelling sourcebook—an unprecedented and powerful resource for those planning a women's seder and those seeking to infuse their Passover celebration with the creative and courageous voices of Jewish women. Arranged according to the order of the seder, this practical guide gathers the voices of more than one hundred women in readings, personal and creative reflections, commentaries, blessings and ritual suggestions that can be incorporated into your Passover celebration as supplements to or substitutes for traditional passages of the haggadah. It also includes a detailed guide to planning a women's seder, based on information from successful seder organizers around the world. Whether you are organizing a women's seder in your community or planning a family seder in your home, this inspiring and accessible resource will help you take an active role in re-creating the educational and spiritual experience of Passover and in shaping Judaism's future.
