

Muslim Women in Law and Society: Annotated translation of al-Tahir al-Haddads Imra tuna fi l-sharia wa l-mujtama, with an introduction. (Culture and Civilization in the Middle East)

An extremely timely translation of a seminal text on the role of women in Muslim society by the early twentieth century thinker al Taher al-Haddad. Considered as one of the first feminist works in Arab literature, this book will be of considerable interest to scholars of an early feminist tract coming from a Muslim in Arab society. Awarded the 2008 World Award of the President of the Republic of Tunisia for Islamic Studies
