

Just This Once (Escape to New Zealand Book 1)

Audie nominee, Best Romance Audiobook, 2015 Everyone needs to be rescued sometimes. Everyone but Hannah Montgomery, that is. She just needs a vacation. Three weeks in New Zealand to sort out her life, figure out what she wants, seems just right. Oh, and to relax. She should definitely put that on the agenda. She certainly isn't looking for a sexy fling with a professional rugby player, no matter how attractive he is. Hannah doesn't do casual. But maybe just this once ... As much as she's shared with Hannah, Drew Callahan has kept one very big secret: that he's the captain of the All Blacks, New Zealand's international rugby team, not to mention the best-known rugby player on earth. And learning the truth, now that she's back home again, has made Hannah warier than ever. Drew knows that she's right for him. But how can he convince her to let down her guard enough to explore what they could have together? Note: This romance, like New Zealand, contains some steam. If that isn't your cuppa, you may want to visit another country ... er, book.
