

Through The Wall (An Apple Trail Novella Book 1)

Book 1 of 6 of The Apple Trail Novella Series She doesn't want wild and raunchy, just a little spice! He wants commitment and long-term, not a quick roll! Two best friends who both want each other, but for very different reasons. The walls are thin in the Apple Trail Apartments. Ever since she moved in after her divorce, Stephanie has listened to her best friend next door getting busy. By the bed knocking on the wall and the gasping women, Stephanie wants to be one of those women on the other side. She just has to get the courage up to ask. The only woman Parker Madison ever wanted long-term was the very-married Stephanie. He's tried finding a substitute, but there just isn't another woman like her. Now that she's available, he just has to keep his hands to himself for a respectable length of time after her divorce. He's planning to make a move after eight months. Stephanie takes him by surprise after three. Does he fulfill her request and risk becoming that best friend rebound guy or wait it out to better his chances for happily ever after?
